

# Laurelwood Elementary School's Back to School Supply Request List for 2019-2020

Dear Parents,

The start of school is always a fun time for students. For many, Back To School shopping is something that is exciting and motivating. Because we all like to take advantage of back to school sales, the Laurelwood staff has put together this list of classroom necessities that they would like each child to have. We would appreciate it if you could provide your child with the following school supplies for the coming school year. Doing so is entirely your choice and not at all required. Students who do not bring in the supplies will receive them from the school. Thank you for all that you do!

Sincerely,  
Laurelwood Staff
