Dear Class of 2024 Students and Families,

We know that life is a little different than what we are used to. We hope that your family is safe and healthy.

We wanted to let you know that East Side Union now has Online Registration for NEW students. This is a great way for us to have the most updated information about your student, especially emergency contacts. Below are the links for Online Registration.

We are excited for you to be part of the Silver Creek family. It's really important that you complete the Online Registration for your student so that we can communicate with you directly in the near future. We look forward to meeting you in person soon.

Take care and stay healthy!
