Enrichment Classes Schedule

Art Classes - September 9 - December 16, 2020 (no class November 11, 25)

[Art webinar schedule of classes, descriptions, and links to class recordings](#). These creative art classes are taught by professional artists and educators using visual arts, artistic creative writing, and music/theater to inspire our young students.

Dance Classes - September 23 - December 16, 2020 (no class November 11, 25)

Evergreen School District is partnering with Troubador Beat Lab to offer [a wide variety of fun dance classes](#) for all grades. No registration needed. To sign in to classes, please use the following login credentials: Username: info@eesd.org Password: BeatLab1

Math Olympiad Team - October 20, 2020 - March 16, 2020.

A team of over 30 Silver Oak Math Olympiad students meets every Tuesday to learn different problem solving techniques and practice solving non-typical math problems. The Math Olympiad contest consists of 5 exams held once a month from November to March. Exams cover advanced math problems and have the same paper for 4th, 5th and 6th graders. For more details, please contact Silver Oak parent volunteers at silveroakmoems@gmail.com. Waitlist registration only available. Test dates: November 17, December 15, January 12, February 9, March 9

Read Aloud - September 30 - October 28, 2020

Join our school librarians as they read aloud. Zoom links available soon.

Speech/Public Speaking Enrichment Program - begins September 16, 2020

The district is working with [Advantage Communications](#) to offer a public speaking program where 4th and 5th graders acquire life skills, build confidence and have presence. Students will learn the art of non-verbal communications, vocal inflection, pacing, eye contact, research and speech writing structure, interpretation skills, and interpersonal communication. Students will be encouraged to write an

informative speech and present their writings in a clear and engaging way that is unique to their level and style. The program is full at this time and not accepting new registrations.

Speech & Debate Team - begins September 23, 2020

The district is working with a company named [Advantage Communications](#). We started with 90 students this year and hope to grow the program in the coming years. We have three teams representing each of our middle schools. Student participation includes 20 students at each of the middle schools and 10 additional sixth-grade students from our elementary schools. After registration, students participate in video submitted auditions to determine teams. This program requires the involvement of three teachers who, with Advantage Communications Coaches, co-coach students once per week. At this time, the program is full and no longer accepting new registrations.

Sports for Learning - begins September 23, 2020

Silver Oak is partnering with Sports For Learning to provide fun physical education activities for students.
